Call for Sponsors

Can you support the northern restoration community of practice's annual conference and workshop? This October, we're turning "Ideas into Action" and could use your support.

Sponsor today and you'll enable knowledge sharing and capacity building in a region critical to Canada's environmental resilience and increase visibility among key stakeholders and rights holders in the north, including Indigenous communities, government agencies, NGOs, and industry leaders.

News from the OT

B.C. Wildlife Federation is hosting [Wetland Ecosystem Services Protocol-BC Training in Fort St. John September 9th & 10th](#).

Free for BCWF members and just \$50 for non-members, this is a rare opportunity to learn the standardized rapid function assessment method for non-tidal wetlands in BC.

Fish and Wildlife Compensation Program reminder that any FWCP funding applications in the Peace Region require a [notice of intent by September 11th](#). You can also give [feedback on their draft regional funding priorities](#) on their website by November 13th + sign up for an info session September 29th.

There are lots of ways to get more involved with the CoP, facilitated by the organizing team:

- organize or join a subject matter working group
- organize or join a regional group - each of our three northern 'regions' has a group
- join the Organizing Team, either as an individual or on behalf of your organization
- share knowledge in a webinar, conference presentation, or hands-on workshop.

Just reach out, we'd love to hear from you!
