# 2026 Annual Workshop October 21-22 in Terrace, BC ...and online!

07 October 2026

The 2026 Northern Restoration Community of Practice Workshop is just around the corner, and we want to make sure you don't miss it!

**This year's hybrid workshop and conference has everything you've been asking for:**

- **world-class trainers** to support your continuing education on
  - how to use new project databases,
  - integrating socioeconomics into restoration, and
  - pooling camera data to improve monitoring;
- **knowledge exchange sessions** with cutting-edge learnings and leading practices to enhance restoration planning, implementation, and monitoring;
- **peer coaching** to "unblock" your restoration project; and
- more social and **networking opportunities** to forge and maintain your connections.

**REGISTER FOR THE 2026 WORKSHOP TODAY**

As always, we provide lunch and door prizes for in-person attendees, and in-person registration is FREE. This year we'll have breakfast on at 8 a.m.

There are lots of ways to get more involved with the CoP, facilitated by the organizing team:

- organize or join a subject matter working group
- organize or join a regional group - each of our three northern 'regions' has a group
- join the Organizing Team, either as an individual or on behalf of your organization
- share knowledge in a webinar, conference presentation, or hands-on workshop.

Just reach out, we'd love to hear from you!
