Restoration Community of Practice Workshop
Prince George, B.C. June 4-5, 2024

*Launching a Restoration Community for Practitioners in Northern B.C.:
Sharing learnings, building our future*

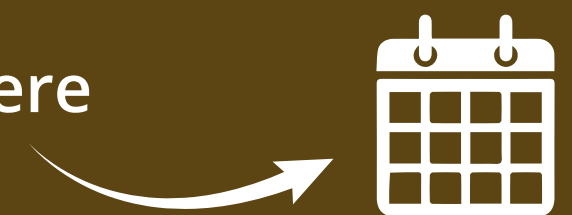

*Hosted by SERNBC, with support from Habitat Conservation Trust Foundation,
Peace Region Fish and Wildlife Compensation Program, and Pacific Salmon Foundation.*

We invite restoration practitioners to join us for this free workshop in Prince George B.C. on June 4-5, to learn from seasoned experts, ask questions among your peers and connect with like minded professionals. This event is the first in an anticipated series aimed at building a community of practice that shares ideas, insights, and experiences for advancing effective and efficient restoration in northern B.C.

You can expect to meet people both early in their restoration journey, and those who have been doing the work for several years.

A formal agenda and registration details will be sent out shortly. Please save the dates in your calendars while we finalize some important details!

Add the event to your calendar by clicking here to show you're interested in the event.
