

Community of Practice: Ease into Field Season

08 May 2026

Regional CoP Meetings and Meetups

Thank you to everyone who supported last week's northeast regional meeting, including our amazing event sponsors. There's a whole lot more to come.

Please click the below link to register for your next regional meeting (online) and help plan local events (in person):

- [Skeena: May 27 @ 10 a.m.](#)
- [Omineca: June 29 @ 10 a.m.](#)
- [Northeast: June 25 @ 10 a.m.](#)

Watercooler Wednesdays will continue at 2:30 p.m. PT until the end of this month. Log in to the calendar of events on your CoP Hub for what's coming up.

Upcoming Webinars

There are TWO "lunch and learn" webinars left until the next shoulder season (aka fall):

- **May 12: Forest for the Trees: Thinning to Benefit Land, Community, and Ungulates**
 - Doug Casimel, Toonasa Ne Keyah Stewardship Department Manager, Stelat'en First Nation
- **May 19: An Approach for Identifying and Quantifying Priority Ecosystem Services**
 - Leah Sharpe, Decision Scientist, Gulf Ecosystem Measurement and Modeling Division, US EPA Office of Research and Development

There are lots of ways to get more involved with the CoP, facilitated by the organizing team:

- organize or join a subject matter working group
- organize or join a regional group - each of our three northern 'regions' has a group
- join the Organizing Team, either as an individual or on behalf of your organization
- share knowledge in a webinar, conference presentation, or hands-on workshop.

Just reach out, we'd love to hear from you!
