

Community of Practice: Let's Keep Growing Together

08 June 2026

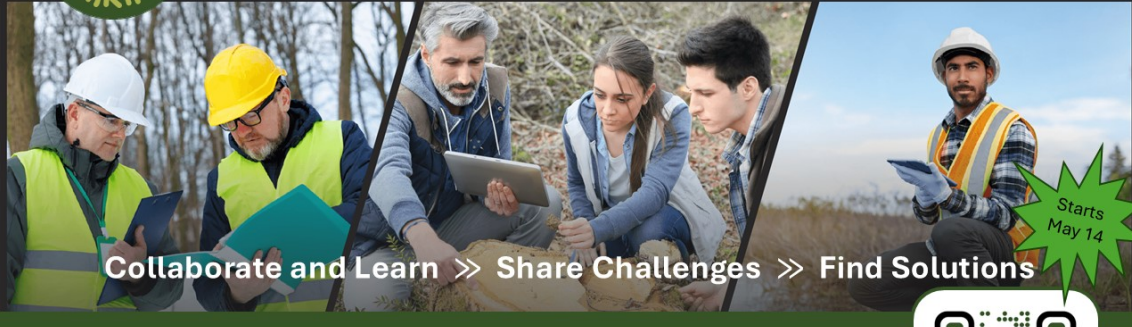

Photo by John Marquis

Watercooler Wednesdays and Winter Webinars are paused for the field season, but we're still building and supporting connections to strengthen our community of practice.

Small Group Coaching Sessions

Small-group Coaching

Support your peers by sharing experiences that can help unblock their project at our next small-group coaching session on June 23rd at 7 p.m.

Virtual coaching sessions are relatively new so that folks who cannot travel to in-person events can still participate; in fact, continuing these sessions were one of the priorities set by practitioners!

Like all our CoP events, these are absolutely free.

Register

"The coaching session was really great for knowledge sharing. I valued the diversity [of perspectives and] getting input from folks I would never interact with in my day to day."

- Small group coaching session participant, 2025

Shared in Slack

Upcoming Events:

- Assisted Natural Regeneration Practitioner Training Course (on now)

- Foundations of Restoration Ecology MOOC Course
- June 8 @ 2pm: Aquatic Ecosystems Drought Monitoring Partner Webinar

New Organizer

Meet your new Northeast Regional Organizer, Keana Trudel!

Keana will be working on organizing in-person events in the Peace and Liard watersheds. Got an event coming up or want volunteer support on a project in the northeast? She can help you spread the word.

View Blog

There are lots of ways to get more involved with the CoP, facilitated by the organizing team:

- organize or join a subject matter working group
- organize or join a regional group - each of our three northern 'regions' has a group
- join the Organizing Team, either as an individual or on behalf of your organization
- share knowledge in a webinar, conference presentation, or hands-on workshop.

Just reach out, we'd love to hear from you!
