

Community of Practice: Maintaining Connections

18 June 2026

Upcoming CoP Events:

We have some events starting next week to support you in maintaining connections, a priority identified by the community at multiple workshops.

June 23 @ 7 p.m. [Small-group coaching \(online\)](#).

June 25 @ 10 a.m. [Northeast regional group meetup \(online\)](#).

June 29 @ 10 a.m. [Omineca regional group meetup \(online\)](#).

July 8 @ 9 a.m. [Terrace-area site visit, Skeena regional group meetup](#)

Can you host a site visit or training for your community of practice?

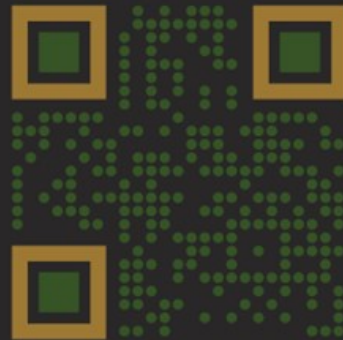

Email me and let's get planning!

It's important to stay connected, even (or especially) during the busy field season.

**"The coaching session was really great for knowledge sharing.
I valued the diversity [of perspectives and] getting input from folks I
would never interact with in my day to day."**

- Small group coaching session participant, 2025

SER-WC Indigenous Student Scholarship

Our friends at SER Western Canada are offering a \$2000 scholarship for an Indigenous student studying in support of a career in restoration. If you or someone you know is in school with the goal of healing lands, waters, and relationships, we encourage you to apply!

Eligible programs include, but are not limited to, ecological restoration, environmental science, food sovereignty, and cultural continuity (e.g., Indigenous languages).

Applications are open until July 17th at 5 p.m.

More info

There are lots of ways to get more involved with the CoP, facilitated by the organizing team:

- organize or join a subject matter working group
- organize or join a regional group - each of our three northern 'regions' has a group
- join the Organizing Team, either as an individual or on behalf of your organization
- share knowledge in a webinar, conference presentation, or hands-on workshop.

Just reach out, we'd love to hear from you!
